502 Minimum Instructional Personnel

PURPOSE: To ensure adequate instructional personnel are providing for the safety of all individuals involved in the instructional and learning process.

The span of control for District training is based on the complexity of the operation and skill being evaluated. The establishment of a staging or observation area is utilized to control students not involved in an operation.

The following minimum personnel will be required for all District training:

- Classroom instruction — 1 instructor per class
- Outside/field instruction - general — 1 instructor per class as a minimum with instructor to student ratios appropriate to the complexity of the skills involved
- Live fire training — 1 instructor to every 5 interior students
