

East County Fire & Rescue

Knox-Box Program

“Helping us to protect your property.”

GOALS OF THE PROGRAM

- To minimize response times to emergencies.
- Allow us to gain access to secured areas without delay.
- Avoid damages to property while attempting to force entry.
(i.e. doors, locks or gates.)

WHAT IS A KNOX-BOX?

A Knox-Box is a secure key safe that is able to be mounted in a place that allows the fire department to access locked areas. The only keys available to open the box are in the possession of emergency services. When there is a fire or medical emergency, the first responders can access the key safe and use the key or key code inside to enter rather than having to force entry.

IF YOU WOULD LIKE TO LEARN MORE...

- Check out knoxbox.com to find out pricing, download an order form and find options that best fit your needs.
- Contact ECFR with any questions at **(360) 834-4908**
- Stop by and pick up an order form at our Fern Prairie station at 600 NE 267th Ave. Camas, WA 98607

“We appreciate your support and helping us to provide better customer service for our community.”
