

Resident Firefighters Wanted

East County Fire & Rescue

Clark County, Washington

East County Fire & Rescue (ECF&R) is seeking motivated individuals to join our team as Firefighters. Experience in basic firefighting and emergency medical delivery a must.

ECF&R provides fire protection and EMS services to a population of approximately 10,000 in the rural area outside the cities of Camas and Washougal in Clark County, WA.

Successful Resident Candidates will be assigned to one of three stations at the discretion of the District. ECF&R has a total of five stations. Residents are assigned to a Captain or Career Firefighter as their direct supervisor/mentor.

Pre-requisite Requirements:

Firefighter 1 knowledge (LCC, PCC, Cadet, ECFR Academy, Other Recognized Programs)

Washington State / Nationally Registered EMT or currently enrolled in EMT program.

Verifiable volunteer/career firefighting experience of one year or more.

Successful Completion of the General Knowledge Exam

Successful Completion of the Physical Ability test

Medical Physical Exam and Drug Screen

A. Assignment

1. Report for duty, as assigned.
2. Function as an entry-level probationary firefighter.

3. The expectation will be for the Resident to carry out all commands as would be expected of any firefighter at the probationary level. This would include emergency services (fire suppression, EMS, Haz-Mat, etc.) and general service consistent with stated organizational goals and objectives (daily routine, training, public education, etc.).

B. Supervision

1. The assigned supervisor shall review the resident's career development as part of a personnel appraisal every three months. Correction of deficiencies will be at the discretion of the Training Officer and supervisor.
2. Residents are subject to disciplinary action up to and including termination for violation of any established rules and regulations, and/or District policies.

C. Term

The Resident is expected to serve for a minimum of one year.

D. Competency

1. The Resident will be expected to meet all district training requirements.
2. The Resident will be expected to fulfill all duties and responsibilities, as described, in the district's written job description for firefighter.
4. Residents will be encouraged and expected to excel at an accelerated pace in becoming IFSAC Firefighter I certified.

E. Reimbursement

1. Residents will receive reimbursements based on ECF&R's volunteer reimbursement program, which is defined in East County Fire & Rescue Rules & Regulations, Section 401 Volunteer Activity Standards and Reimbursement.
