

205 ELECTRONIC COMMUNICATIONS SYSTEMS

Reference: PPG #36-J

1. East County Fire & Rescue treats its entire computer system, including e-mail sent or received, as District property. The District may at any time access, review, monitor, or copy any computer files; including email sent or received, and all web site communications and/or transactions. Members should not use District computer systems to create or transmit any information they wish to keep private.
2. ECFR prohibits the display or transmission of sexually explicit images, messages, cartoons, or any transmission of communications that contain profane or offensive language, ethnic slurs, racial epithets, or anything that may be construed as harassment or disparagement of others based on their race, color, national origin, gender, age, sexual orientation, disability, religion, or political beliefs.
3. Members are prohibited from installing or downloading any unauthorized software, images, or designs on District computers.
4. Upon termination with the District, the member may not take computer files or programs for personal use. Upon termination the District will shut off the former member's access to District computer systems.
