- The Washington Fire Commissioners Association has announced the 2026 WFCA Conference: it will be October 21st – 24th, 2026 in Spokane. Registration opens on August 18th; Commissioners will need to confirm attendance. Some discussion regarding this followed.

Staff Reports

1. Chief Black gave his report; a copy is in the meeting packet.
2. Assistant Chief Jacobs gave his report; a copy is in the meeting packet.
3. Assistant Chief Jacobs reported that per the Safety Committee there were no new accidents/incidents since the last board meeting.

Fire District Business

1. Resolution 388-07212026 – Surplus equipment: Apparatus 1018 (see attachment A).
Motion by Commissioner Hofmaster to approve Resolution 388-07212026, seconded by Commissioner Martin. Motion passed unanimously.
2. A check has been issued to Rosenbauer for the pre-payment invoice for the chassis for the new engine (Resolution 338-12192023). This pre-payment allows the district to save \$15,144 on the overall cost of the engine.
3. Landscaping bid discussion: ECFR received an updated landscaping bid. The proposal focuses in on a few critical areas and allows time to take a more strategic approach to future beautification efforts. Some discussion ensued; the Board agreed to move forward with the proposal.

Commissioners Comments

Commissioner Martin – Reminded attendees about the Airport Master Plan Open House on July 23.

Commissioner Martin also updated the Board on the results of more research into the merger/annexation process, namely that the merging district (in this case, ECFR) would be the

constituency voting on whether the two districts would be allowed to merge, and that all Commissioners would retain their positions until—through attrition or vacancy—the governing board gets down to the number of seats the district wishes to maintain. Some discussion ensued regarding the merger/annexation processes.

Lastly, Commissioner Martin updated that she and Deputy Chief Brown have been rehearsing and plan to perform a few songs at the ECFR Open House.

Commissioner Hofmaster – Thanked Firefighters Dobbins and Lockwood and Chief Black for being so informative and helpful when touring his guests around the Station last week.

Commissioner Addis – Thanked Chief Black for sending out detailed information regarding the burn prop incident.

Commissioner Seeds – Mentioned that he stopped by Station 93 recently, and did indeed notice that the lights were left on. While he was there three ECFR Firefighters and a new Volunteer were there to do some landscaping work and were doing a great job. He also noticed some tansy growing in the stormwater swale and suggested that ECFR might look into what needs to be done regarding the removal and disposal of that.

Commissioner Seeds also noted that while the recent training incident injury was relatively mild, it easily could have been worse and he takes that very seriously. He expressed support for the direction Chief Black has taken in following the recommendations made as a result of the incident as well as for any subsequent training needed.

Lastly, Commissioner Seeds noted that there has been a lot of change and transition—intentionally and otherwise—in the district during his tenure, and everyone’s patience is appreciated as some of those changes are completed.

Programs and Projects

AFG and Safer Grants: No update.

BLM and Firehouse Subs Grants: No update.

EMS Levy: Results should be known tonight.

Career Firefighter Hiring: PFF Menta started with us on Aug 1st. We'll introduce you to him during a regular shift or sooner.

Washougal Motocross: We staffed a Squad during the event. ECFR responded to several calls during the weekend which was predictable but nothing of magnitude.

Open House: The event is Saturday August 8th 11:00-14:00. Teresa has this organized and is working on a few last-minute items but otherwise we should be good to go.

DNR Situation Report: DNR is very concerned with the weather forecasts as they've been through July. They reported less fires, but more acres burned per fire.

Labor and Industries: Met with L&I last week for a consultation and station walk through. Currently working on fulfilling their request for paperwork so they can complete their report.

S91 Landscaping: The amended landscaping project was approved. The landscaper will be spraying the brush along the highway Aug 4th with removal scheduled for Aug 18th.

Skamania Quarry Project: Reviewed the comments on the draft environmental impact statement regarding the quarry and sent over my thoughts to Commissioner Seeds.
